New appointment to drive innovation at Perpetual Digital

8 August 2022

Perpetual Corporate Trust (PCT) has appointed a new General Manager to Perpetual Digital, PCT's digital innovation company.

Jon Alder, joins Perpetual Digital, bringing more than 25 years' expertise and experience in technology, software and operations. He joins from Bravura Solutions where, since 2011, he has held senior leadership roles such as Chief Operating Officer – APAC and Head of Operations – Australia and Asia.

PCT Group Executive, Richard McCarthy said Jon's appointment would strengthen Perpetual Digital's position as an innovative and leading digital solutions provider to the banking and financial services industry.

"Perpetual Digital's suite of products leverages over 25 years of expertise in securitisation, debt markets and managed funds to develop, deliver and support a range of digital solutions to enable our client's success. Jon's wealth of technology, software and operations experience, in addition to his deep understanding of the financial services industry will help us continue to innovate and mature our SaaS business," he said.

Mr Alder said he is extremely excited to join a market-leading business with such a strong brand and great customer advocacy.

"Perpetual Corporate Trust and Perpetual Digital's reputation as a trusted provider of solutions to the banking and financial services industry is exemplary. Their Perpetual Intelligence, cloud-based SaaS platform, will be a game changer in the industry and I look forward to delivering on the strategy of being the leading digital solutions provider to the banking and financial services industry," he said.

Perpetual Digital was established in October 2021 following Perpetual's acquisition of Laminar Capital. The business aims to provide digital solutions that enable businesses to become more effective, efficient and achieve economies of scale, while reducing cyber risk and maintaining compliance through automation, workflow management and reporting.
